RE: Bill 163, Draft 4 -Relating to the Hawaii County General Plan

Attached for your review and transmittal is the above bill. At the last Committee on Planning meeting held January 4, 2005, Bill 163, Draft 1 was amended by retaining the following portions of the 1989 general plan:

1. The LUPAG map designations for Kohanaiki (deleting the proposed changes at G9 and G10 in Draft 1);
2. The LUPAG map designation for Keopuka and a small portion of Onouli (deleting the proposed change at H1 in Draft 1);
3. The LUPAG map designation for the Shipman properties in Kea`au (deleting the proposed change at A4 in Draft 1);
4. The LUPAG map designation in Honomu (deleting the proposed change at B4);
5. The LUPAG map designation for the properties in South Kona owned by Ackerman, Bell and Paris (deleting the identification of these lands as important agricultural land);
6. The LUPAG map designation for Hokulia (deleting the identification of these lands as important agricultural land); and
7. The definition of orchards.

Attached to this transmittal are both the clean and ramseyerd document of Bill 163, Draft 4. Please have this item referred to the Council for consideration.
