## INSTRUCTIONS:

1. Submit two (2) copies showing location of cesspool, septic tank, etc.
2. Show boundary clean out (B.C.O.).
3. Show public sewer manhole (S.M.H.) upstream of sewer connection.
4. Provide Engineer's stamp (mechanical or civil) for installation of sumps, etc. along with schematic drawings, installation instructions, and other pertinent information. A detail drawing is required for Sump Drywell Box installation.
5. All abandoned facilities and sewage material shall be properly removed and filled with approved material within 30 days from time of connecting to the public sewer as required by the Uniform Plumbing Code (1997) Section 722.0.
6. Permittee shall notify the plumbing inspector a minimum of 48 hours prior to inspection being required. For Hilo, please call #961-8487. For Kona, please call #327-3520.
