Lako Street Extension Advisory Group Meeting

A second meeting of the Lako Street Extension to Ali'i Drive advisory group is set for Wednesday, December 19, at the Outrigger Keauhou Beach Resort on Ali'i Drive in Keauhou.

At this meeting, advisory group members will define the evaluation criteria and performance measures relating to the Lako Street corridor design. The public is welcome to observe the meeting and will have the opportunity for one-on-one discussions following the meeting.

The planned Lako Street Extension is expected to distribute and ease traffic along Royal Poinciana Drive and between Kailua and Keauhou. It will become a mauka-makai connector road from Ali'i Drive to Kuakini Highway, serve as a planned emergency route in the event of a natural disaster and accommodate the residents of Komohana Kai subdivision.

For 24-hour information on road work, call 334-9559. For specifics about this project, contact Bruce C. McClure, Director, County Department of Public Works, 961-8321.
