March 12, 2009

Road closures and detours on Komohana street March 23-25

Road closures and detours along Komohana Street approximately from Ainaola Drive to Puainako Street began in February and are expected to continue until April, while Isemoto Contracting Company Ltd builds retaining walls and makes drainage improvements for the County of Hawaii. Roadside improvements will not alter or change Komohana street.

Work is scheduled from 8:30 a.m. to 3:30 p.m. Monday to Friday, excluding holidays. Off-duty officers will direct traffic and message boards at strategic locations on Komohana Street and intersecting roads will alert traffic to detour.

March 23-24

Komohana Street will be closed to through traffic between Kawaihine Street and Puainako Street. Motorists will have limited use of Komohana between Kawaihine and Puainako streets. Residents on Komohana will be allowed only left turns on to Komohana Street and residents on Edena are asked to use Malawaina Street.

March 25

Komohana Street will remain closed between Edena and Puainako streets. Only right turns will be allowed at Komohana and Puainako streets. Only left turns allowed at Kawaihine and Komohana Streets.

The \$5 million project is a Statewide Transportation Improvement Program and federally funded. The Federal Highways Administration pays 80% of the improvement cost and the County of Hawaii, 20%. Roadwork began on in late October and is scheduled for completion in third quarter of 2009.

Weather conditions may change dates for road closures and alter detours. For updates please call the hot line at 334-9559
