Grantseeking Basics for Individuals Online Course offered by the Foundation Center. There is a fee for the course.

Designed for individuals not affiliated with nonprofit organizations, such as artists and researchers, this online training course will show you how to seek out and identify potential sources of foundation funding. The techniques and strategies you learn in this course will improve your prospects for receiving funds. Learn how and why funders make grants to individuals and most importantly how to articulate your own funding needs. Learn about the best tools available for grant searches and gain an understanding of the application process. *Grantseeking Basics for Individuals* features interactive exercises and assessments, a comprehensive glossary, and Internet and print resources to prepare you for grantseeking success.
